About Huddlestock Fintech:

Huddlestock Fintech AS was listed on Euronext Growth Market 26 November 2020, as Norway's first fintech company to be publicly traded. Huddlestock Fintech is a company that develops and implements unique software as a service-solutions for digitizing work processes for custody banks, asset managers and trading venues.

The open, compliance-optimized and data centric wealthtech platform allows our customers to offer a differentiated real-time product that reduces cost and increases efficiency. Huddlestock Fintech's technology enables end-to-end digital services such as onboarding, client communication, reporting, order execution and portfolio management, all executed on the same platform.

Huddlestock has developed two technology solutions, Apex (Custody) and Bedrock (Connectivity). Apex is a software as a service-solution that links custody services with asset managers and individual investors. Bedrock provides a white label solution that is primarily a product for financial services firms wanting to add low cost-efficient trading and investing services to their client web and app offerings.

Through its world-class expert consultancy Visigon, Huddlestock delivers strategic technology solutions and process automation for the financial services industry. Founded in 2003, Visigon has grown into becoming the preferred supplier of financial consultancy services and technology providers in the Nordic region. Visigon became part of the Huddlestock Fintech family in 2021.

Huddlestock Fintech has offices in Oslo, Stavanger, Copenhagen, Stockholm, Munich, Paris and Kuala Lumpur.
